Mathias Like the other CDs available in the Ultimate Collection Library, you will find some pieces available at IMSLP. Also, you may or may not like everything in the collection. But... You are purchasing for the convenience of accessing the material and for the exposure to new composers and their works. I find the collections I have purchased for violin, for viola, for string quartet and for Piano quartets and trios to be cost effective. For example, Fuchs is easily a favorite

composer after accessing his works her.0 of 2 people found the following review helpful. Two StarsBy IngI didn't like the music selection

(CD Sheet Music). Scores and parts for 81 viola sonatas and concertos, over 2,300 pages of music by 58 different composers. Also included are articles on the composers represented in this collection and related entries from the 1911 edition of the Grove's Dictionary of Music and Musicians .
