It was in FIT shape and it came with two different copies - a score (for two violins/piano) and the original pieces. Something I expect a small music store not to have...Overall I was pleased with my purchasing experience from as a "first-timer!!" I will recommend you highly.Thanks1 of 2 people found the following review helpful. Missing partsBy hayranyangThis book should comes with both piano and violin parts but came in only violin parts.I am returning this

book and wasting my time.

(String). Compilations of violin literature appropriate for students, arranged by difficulty level.
