**Carl Barks : Walt Disney's Uncle Scrooge Gift Box Set: "Only A Poor Old Man" And "The Seven Cities Of Gold" (The Carl Barks Library)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Walt Disney's Uncle Scrooge Gift Box Set: "Only A Poor Old Man" And "The Seven Cities Of Gold" (The Carl Barks Library):

4 of 4 people found the following review helpful. amazing!By arunanThe only problem with Bark's Duck stories is that they are SO good that all other Duck comics are pretty disappointing by comparison! Uncle Scrooge has always been my favorite, as he travels the world in search of ever more riches, or fights lunatic criminals to save his money! Adventure, adventure, adventure...and lots of humor. Indiana Jones has nothing on Uncle Scrooge (I mean that literally-the title story in "The Seven Cities of Gold" inspired the most famous scene in "Raiders!" I've been reading

comics since the early 80's and I'd put Barks's work up there with the best of Miller, Bendis or Millar. (I'd give Allan Moore the edge by a hair, but it's damn close!) My teenage daughter has donated everything from her younger days to my 2nd grade class, but she flat-out refused to part with these, so I had to buy another copy for the class. 0 of 0 people found the following review helpful. Carl Barks at his best...By Alexander LazarouSome of the best works of Carl Barks are collected in these two volumes. The first real adventure of Scrooge McDuck : Only a poor old man is of course a fantastic story with great plot and artwork, as is The Seven cities of Cibola! Some very funny ten pagers are also collected in these two volumes! As always the reproduction of the stories is very crisp and the supplementary information is quite interesting. A must buy for every Scrooge lover around the globe! 0 of 0 people found the following review helpful. Uncle Scrooge Knows BestBy AquamanFor my older son. He loves classic Uncle Scrooge!

Two classic Barks Uncle Scrooge volumes repackaged in a holiday gift set. A double dose of the worlds most adventurous duck and his hapless nephew! Walt Disneys Uncle Scrooge: Only a Poor Old Man and Walt Disneys Uncle Scrooge: The Seven Cities of Gold make up this special boxed set of two of our most popular Donald Duck albums to date, exquisitely re-presenting the Duck stories of Carl Barks, one of the most brilliant cartoonists of the 20th century. The lead story of Only a Poor Old Man features the inspiring and tragic tale of how Scrooge McDuck won his fortune and lost his one true love! The Seven Cities of Gold finds our intrepid Ducks on a treacherous trek to the desert to find the riches of a fabled lost civilization including a scene that inspired the opening of Raiders of the Lost Ark! Handsomely presented in an attractive box set at a special price that Uncle Scrooge himself would approve. Full-color illustrations throughout

Carl Barks... was probably the best artist and writer working in the entire field of comics. ... Ingenious, clever, and funny, the Barks Duck Books... are as readable and immediate to me as an adult as they were when I first discovered them as a child. - Jeff Smith (Bone, RASL), Mental FlossAbout the AuthorCarl Barks (1901-2000) spent most of his life in Oregon. In 1987, he was one of the three inaugural inductees in the Will Eisner Comic Book Hall of Fame (along with Eisner and Jack Kirby). He's also a Disney Legend.
