Too risque for work.By Ranger BobI didn't like the overtly sexual innuendo included on the back cover. I had thought that this would be like the more innocuous version of a similar book, Everything Men Know

about Women, but it's not. This version would only be appropriate for a girlfriend or a wife, and giving it as a gift to a co-worker for example, could get you pulled into your boss's office on a harrasment charge. This is not something that would be considered a "gag" at work; in corporate America, we do need to have sensitivity to political correctness on some level, and the comments on the back cover would be perceived as offensive to many people. Don't get this as something you could bring to work, unless you're getting ready to retire...6 of 14 people found the following review helpful. THIS BOOK IS A RIP OFF OF ANOTHER BOOK!!!By Scott CurtisThis book is a rip off of "Everything Men Know about Women" by Dr. Alan Francis, which is also for sale on . It's a rip off of the title, and of the concept (both are blank books). Further, it's an expensive rip off, as the original book is less expensive! This author should be ashamed of himself and you should not buy this book.P.S. .com has posted this same review for two blank books, the second being "What Women Know about Men." I do not post this review for that book, but cannot delete it without deleting my review for the first blank book.

What Men Know About Women is the perfect joke gift for any man or woman! This book is BLANK on the inside, poking fun of the fact that men know nothing about women! Our Blank Gag Books are funny, clever and can ultimately be used as a wacky notebook or useful journal or simply left out for others to get a laugh again and again. As you can see from the artwork, this is a high quality gag book loaded with hilarious testimonials and messages on the front and back of the cover. Every sentence pertains to this funny gift but does not quite give it away until it is opened. We have numerous titles ranging from education, birthdays, relationships, finance, pets, parenting, government, work and more. They make a perfect gift for any age! Blank Gag Books was created by Rich Ferguson, an award winning magician, author and host of numerous best selling DVDs and books. See our site at <http://www.BlankGagBooks.com>
