Not worth the cost - the quotes don't match the pictures.By ShannonYes the book is small, it fits in the palm of your hand...but that isn't even the worst part. Though the quotes and pictures are great, they don't actually much up on the pages. It is disappointing that you are unable to read the quotes and look at the correct visual reference. Definitely not worth the cost.0 of 0 people found the following review helpful. Book was very tiny, I didn't see that BIG ...By Jason SturgesBook was very tiny, I didn't see that BIG detail when I ordered it. But it's so small it's cute. I'm going to put it in my china cabinet as a keep sake. Thank God it was only a penny. LOL1 of 1 people found the following review helpful. Not necessary to have in your WG collectionBy Diva MomBook is really tiny. Was not what I expected. I would have liked it better if it had more quotes and less

pictures. The book is tiny enough as it is without having most of the page spaces taken up by pictures!

From 1998 to 2006, *Will Grace* aired on NBC for a total of eight seasons and was the highest-rated sitcom for adults. The show was one of the first to depict gay main characters and won sixteen Emmy Awards and eighty-three nominations. Packed on the pages of this fun and nostalgic mini book, you will find hilarious advice and words of wisdom from uptight Will Truman, neurotic Grace Adler, wacky socialite Karen Walker, and outrageous Jack McFarland, complemented by a fun design and photos throughout.
