Wish the calendar squares were a little bigger instead of having a "to do" list on every page. But overall I love it1 of 1 people found the following review helpful. Dates inside need bolder printBy Chris330rThe inside print is extremely light and faint making it difficult to see the dates. Had it been in bolder print this would be a perfect little pocket calendar. The cover is cute and everything else is great except for the light print. Will have to search for another one. :(0 of 0 people found the following review helpful. Great for the priceBy BarbExactly what I was looking for.

Spend the year with Winnie the Pooh and Piglet from the Hundred Acre Wood.
