Frankie Boyle : Work! Consume! Die!: I Am Actually Almost Completely Insane Now before purchasing it in order to gage whether or not it would be worth my time, and all praised Work! Consume! Die!: I Am Actually Almost Completely Insane Now:

0 of 0 people found the following review helpful. A funny, deep, dark and gritty book.By AaronA funny, deep, dark

and gritty book. A lot of Frankie's jokes are good though some are reference heavy. The book has a write up before the ends of each chapter in which Frankie describes the bizarre world he lives in. Frankie describes a drug fuelled lucid dream in one of these sections which is vivid and beautifully written. There are a few typos as the book reads as if being written on the go. Recommend. 0 of 0 people found the following review helpful. Four Stars By Joseph Marak If you like Frankie, you'll enjoy it... 0 of 0 people found the following review helpful. Not just hilarious... By R. Manwiller Frankie Boyle is not only one of the most darkly funny comedians of our time, but he's also a brilliant mind who can expound interesting takes on a variety of subjects. Amazingly funny observations as well as deep insight, highly recommended.

Outspoken, acid-tongued, brilliantly inappropriate observations from controversial Scottish comedian Frankie Boyle

`It's impossible to imagine any of the glut of festive titles packing in quite so many gags as this... better than the mix of memoir and stand-up of his debut, My Shit Life So Far.' Chortle `Caustic and clever... delightfully uncontained - there are no areas into which he will not travel' The Herald `Utterly hilarious and ferociously intelligent... he has launched a one man Jihad against apathy and indifference and in the process has managed to outshine most of what is published today.' Entertainment.ie About the Author Frankie Boyle is a critically acclaimed comedian and the author of My Shit Life So Far.
