Heather McDonald : You'll Never Blue Ball in This Town Again: One Woman's Painfully Funny Quest to Give It Up before purchasing it in order to gage whether or not it would be worth my time, and all praised You'll Never Blue Ball in This Town Again: One Woman's Painfully Funny Quest to Give It Up:

3 of 3 people found the following review helpful. Don't waste your moneyBy GianniAs a mid 20s virgin myself I was

hoping to find in this book a more relatable version of hilarious romantic and sexual encounter similar to Chelsea Handler's books (since a big selling point of this book is that McDonald is a writer for Chelsea Lately). What I got was a whiney, sorority girl accounts of all the guys that she dated, thought she was better than or didn't meet her expectations, then broke up with. That would have been okay if she was making fun of her upbringing and realizing how vapid she at the end, was but it wasn't. That would have been okay if the book was actually funny, but it wasn't at all. I got a couple chuckles but that's it. If this review doesn't put you off at less don't waste the money buying a \$4 used copy (it wasn't even worth that) just check it out at your local library. 21 of 22 people found the following review helpful. Don't Waste Your Money By Kelly Houser Synopsis: Comedienne Heather McDonald, best known for her appearances on the hit TV show Chelsea Lately, was a virgin until she was 27 years old. Sure she had lots of boyfriends, was a sorority sister, and went on plenty of dates, but the idealistic California girl was holding out for Mr. Right, while simultaneously holding out on everyone else. McDonald recounts her sexless youth and how she finally "gave it up." Review: I wish I had not read this book and there are two reasons for that. First, because I disliked this book so much, I wanted and still want my money back. This memoir was a waste of words and paper. The reason I feel that way is the second reason I wish I had not read this book: it made me severely dislike Heather McDonald. I used to really enjoy her appearances on the round table on Chelsea Lately and I thought she was pretty funny. Having read her book, I now find her nauseating. Throughout her memoir, McDonald makes continual references to her appearance, i.e., how cute she is, how she is too cute to date a certain guy, how a certain guy should be glad someone as cute as she is is dating him, etc. Also, she placed a strange amount of importance on the fact that she was in a sorority in college, and having been in one seemed to continue to affect her present life. Both these things together made McDonald come off as extremely shallow. I did not go into this book with the expectation that McDonald was the deepest, most thought-provoking person in the world. But the excessive shallowness was a complete turn off for me and prevented me from enjoying this book. Instead of being what could have been a pretty funny memoir, the author was so distasteful as a person that the book was ruined. I would not recommend this memoir to anyone. 1 of 1 people found the following review helpful. At Least I Can Get Back What I Paid for it In a Garage Sale By Laura F Being a fan of Chelsea Handler and a fan of her books, I thought I would check it out. I should have read the reviews and saved myself the time I can never get back from reading this book. It was horrible, I'm an easy laugh but I never laughed ONCE. I skipped over page after page trying to get to the end HOPING it would get better. I was BORED and found myself falling asleep more than it keeping my interest. I felt like she was trying to hard to be funny and found herself to be funnier than probably most of the people who read it. Thankfully all I paid was 1 cent for the book. It cost more to ship it to me and the seller was probably more than happy to get rid of it. I won't get back the time I wasted reading it, but at least when I put it in the .25 cent pile at my next garage sale I will have made more off the book than I bought it for.

New York Times bestselling author, comedian, and Chelsea Lately writer Heather McDonald's hilarious true story of finding herself in the predicament of being an unwilling virgin at the age of twenty-seven. Can't a girl dress like a hooker, dance like a stripper, and kiss like a porn star and still be a nineteen-year-old virgin? You'll Never Blue Ball in This Town Again is the laugh-out-loud story of an attractive Los Angeles woman who found herself in the predicament of being an unwilling virgin. As an actress, writer, and stand-up comedienne, Heather McDonald passed up ample opportunities to have her V-card revoked by handsome, rich, and sometimes even fabulously famous men, but she could not bring herself to do it until well after her friends had been deflowered. As Chelsea Handler so lovingly puts it, Thank God Heather waited twenty-seven years to lose her virginity or she wouldn't have any material for this book. Whether in a backseat, a community pool, or a sports stadium, with a frat boy, a doctor, or an A-list celebrity, Heather McDonald knew how to turn those boys blue. Unlike putting out, blue balling might not have paid her rent or landed her free trips to Hawaii, but it did provide her with hilarious stories and adventures in her search for true love and, ultimately, her very own happy ending. Now, Heather McDonald will never blue ball in this town again.

From Publishers Weekly McDonald was a virgin until she was 27, not for religious reasons, but because she was waiting for Mr. Right. She went on numerous dates, got taken to lots of expensive restaurants, and was broken up with in countless creative ways. While explaining her saga, McDonald recalls the pivotal stages of her life: adolescence, the sorority years, her single twenties. The goal is a chronicle of a wacky LA life, but one woman's wacky is another woman's "whatever" and McDonald, who obviously wants to be seen as a clever, self-deprecating free spirit, comes off more like a poor man's west coast Candace Bushnell. Instead of laughing, readers will likely get the awkward feeling that comes at a party when a sorority girl proclaims her sobriety after a few too many trips to the keg.
