Arthur Sainer : Zero Dances: A Biography of Zero Mostel before purchasing it in order to gage whether or not it would be worth my time, and all praised Zero Dances: A Biography of Zero Mostel:

12 of 13 people found the following review helpful. Great subject, horribly writtenBy A CustomerMuch less a bio than an ego trip for the author. Forum is reduced to about 2 pages in the book. How did this ever get published? Skip it and look for another bio on Mostel.

Arthur Sainer's research, particularly among members of the Mostel family, has been prodigious and the facts of Zero's life are here. But the author does not hesitate to digress when there is a good story to tell.
